Sharon was a very special person, highly intelligent with a positive spirit and enlightened
Soul. As her aunt, I treasured her as a friend. We shared the same human frailties,
However humble or sublime. We were both student-teachers, learning equally from
Each other. I count it as a great privilege to have walked with Sharon through her time
Here on earth. As one of her friends has noted, you could talk with her for hours and
Never be bored. She loved animals, especially Her cat, Shadow. She loved feeding birds and deer and had a great capacity for love of the world around her. She was a Christian and was, at the end, looking forward to seeing family in heaven. She was funny, quick witted and positively one of the most caring persons, always ready to lend a a hand to someone in need. She will be missed by everyone who knew her. Rest In Peace, my sweet niece.

My deepest heart felt condolences to her family and friends. So heartbreaking to hear my dear sweet beloved (Make me laugh friend) has gone away. So kind hearted and really cared. Wish we could have taken that boat ride and sailed the seas. Such a wonderful person. I loved to sit and talk with her for hours. She will never be forgotten and I will miss her greatly. Rest in peace lady! Respect to the utmost!

Sharon was a great person. She was always helping anyone who needed it. She especially spent a lot of time helping at Fifty Forward Senior Center in Madison Tennessee. She was a very hard worker, just ask anyone at the Friday Night Music Jam. She was humorous and we enjoyed watching her dance around and laughing while helping with anything needed.
May God bless her, her family and friends.

Sharon was one of a kind. You can tell by these pictures how much she loved her family, especially the children. She helped in VBS at church and was a tremendous help keeping the children entertained. She will be missed, but so happy she has no more pain and she is with Jesus. Rest in peace, Sharon.
