We have just learned of Bill's passing. He was such a joy coming into our Pharmacy when he lived in Newnan. He always had a smile and wonderful sense of humor. We always thought so much of he and Jean. He even stopped by almost every trip to Newnan. You all will be in our thoughts and prayers. Bob and Valorie Stitt

So sad to read of Bill's passing - whenever he would come into the print shop he would bring his sense of humor, and was always smiling and laughing. Prayers for peace with all of you!

Friend - A word described with flowering adjectives-In fact the word cannot be fully defined since there is no beginning and no end.Suffice it to say that those of us who have a friend or,are a friend know the definition.Of one thing I am certain; as long as Bill or I lived, we each had at least one friend - a gift and a blessing. Bill was family to us.Dan, Willma, and Clark

Romelle and all, I had a front row seat in watching the care and love you provided your father. It was impressive. What a loving family! Find peace in the fact that you brought him much happiness in these last years. Love you all!
