“ Bernie was the best boss i’ve Ever had. He was a kind and brilliant man. I remember when my girls were little and the nursery or school was shut down, he would let them play in his office, while I worked. My girls loved him. He will be missed, but not forgotten. My deepest sympathies for his family.

“ This saddens me so. I’m so sorry for your loss, I know a man like Bernie is irreplaceable. He had that rare gift of being able to light up any situation with his humor and manner. I TRULY looked forward to seeing him every few months at the dentist office. He will be sorely missed!!! The world is a happier place because of the laughter Bernie spread!
