“ My sincere sympathy to Autry, Beth and other family. The news of Betty's passing came as quite a shock. We lost touch when she moved from Texas but I never quit thinking about her. We were cousins and enjoyed each other's company and phone calls when she was here in Texas. I have missed that for a long time. Though I knew her health was failing i just couldn't keep from thinking, this is Betty, nothing gets her down. Looking through the beautiful pictures here it makes me so happy that she found happiness and her smile once again and was surrounded by love and a beautiful family. Rest well my dear Betty. Keep smiling.

“ I'm so sorry to hear about Betty's death. We lost track of each other many years ago, but she was my cousin, and we spent many hours playing at our grandmother's house when we were little. Sending love and sympathy to Beth and the rest of the family.

“ Oh, Betty, Betty! sweet Betty! Remembering you at the sound of the name, “Betty” I always see a pretty lady that invented smiling and good spirit.... you had to have had lots of Godly spirit and kindness that Angels are gifted with....you were and are my real friend and a wonderful wife to my buddy and Native blood kin, Autry. As an old sailor, I wish you smooth sailing, fair winds, and following seas while holding hands with our Blessed Savior walking and talking in heaven's streets. Autry loved and loves you....he will be Autry...a like spirit and soul. Until my ship docks in some port at some time, will treasure my memories of your kindness and knowledge of our work for years, and in general, at your home with Autry. Dear God, please continue to bless your daughter, Betty! Mvto...Bold Wolf Warrior, Tim Timothy, Boyce Timothy
