“ Very sorry to hear of her passing, but she and Pop can celebrate in Heaven together now. All of my memories of the two of them bring a smile to my face, and I loved them both. She was always sweet when I would stay with them and let me play in her makeup as a little girl. My thoughts and prayers are with her and the rest of our family.

“ Sorry to hear about Beverlyn passing! She was always a good mother-in-law and a sweet grandmother to my son! In fact his granny Calhoun passed away 20 yrs. Ago the 18th of April,, and that makes it even sadder for using! I know she missed pop Bowie and wanted to go on to be with him. I've seen her go thru some tough times but she managed to come back. I seen her at nursing home a couple times and had her on my mind a lot. I told Chris I was going back to see her but Had shoulder surgery and now virus, cant get in! Love and prayers for you all!
