“ I came into the Family later in the game. But I have fond memories of Bob and his sense of humor. He and Vonceil are the most hospitable people you will ever have the privilege of meeting.

I can imagine Bob is playing the piano in heaven for all the Saints . Rest In Peace, Bob. You will be missed on this side.

“ We have so many great memories of Bob and they will be with us forever. He and Vonceil were close friends ever since the first day we became their neighbors, 22 years ago. We moved to their neighborhood after being in Germany for 5 years with the military. They welcomed us and shared their life stories and family with us. We loved him very much, he was a great person and will be missed by many. Our prayers are with the family.

“ So sorry to hear of Bobby's passing. My favorite memory is when I was a kid Bobby was at our house when I had just learned to ride a bicycle. He and mom wanted me to show them how I could ride it.

Bobby told me he would hold the bike while I got on it, and he did. Then after I got on, he lifted the back wheel of the bike (with me on it) and said, "Alright, take off!"

Of course, I was just spinning the wheel when I was pedaling. I couldn't figure out why I wasn't going anywhere. Soon he eased the bike down and I took off. He laughed and laughed about it. We all did. He was such a cut-up and a fantastic piano player. Praying for Vonceil and Sherry and all the grandkids.
