“ In the mid-1950s I was a "summer girl" in Commerce, which was my mother's hometown before she and my dad moved to New York. I was a shy, awkward pre-teen/teen, self-conscious about my Yankee accent when all around me there were Georgia girls with their lilting syllables. Fortunately for me, I was befriended by Carlene, and during the summers when I was 12 and 13, she and I and another girl, Gayle, were inseparable. I basked in the warmth of Carlene's friendship, and I've never forgotten how much we laughed, or how wonderful it was to feel as if I "belonged," instead of being an outsider. I can tell by her obituary that she remained the same warm, kind, generous person throughout her life. I'm sure she was a blessing to all who new her.

“ Carlene was a delightful lady. I met her at the Bunco Grannies and she was the bell of the Ball . She was loved by everyone there and will be greatly missed. I am so thankful that I got the opportunity to know her...

“ My classmate and dear friend Carlene. I spent many happy hours with her growing up in Commerce, Georgia. Her parents were so kind to me and always made me feel welcome. A sweet and smart girl, our world is diminished by her passing. Sincere sympathy to her family. Helen Thompson McClure

“ We are so sorry to hear of Carlene's passing. I know she will be deeply missed by many.
We lived next door to Sandra and Carlene for years and she was always such a sweet person. I remember her working two or three jobs just couple of years ago, she was a strong woman! I know Mrs. Sandra will miss her dearly because they had such a special bond and were truly there for one another like sisters should be.
Prayers for your Family,
Jay, Nique Kight and kids
