“ I had the privilege of meeting Edith just a short time ago. WOW...she was a strong and brilliant woman. In the short time I knew her I loved her. Her strength and tenacity was amazing. She reminded me so much of my own mother. I will miss seeing her but I know she is now in a place she will never have to worry about not being able to breathe. Her lungs are healed.

Thinking of her family and how much they loved their mother, grandmother and friend. Praying for your peace knowing that she is healed and you will see her again one day.

Love, Lisa W.
