“ I knew Gayle from school. We met in 8th grade and were friends until we both graduated from Forest Park In 1966. Gayle was such a pleasant person, often quiet but so genuine. Many times, I attended youth at Ash Street Baptist with her and other classmates. Gayle was also the pianist for our chorus at school and was always able to tackle what ever the piece was, even if difficult. I remember both of you, Karen and Brenda and even Ray as a baby. Gayle remarked that his initials and name were the same . I'm so sorry for your loss and sorry that I did not make more of an effort to stay in touch. My most sincere sympathy to all of your family.
