“ Gerald, Sharon, and Gerald's uncle Basil Jones (Husband at the time) and myself were out by the fire one evening. Gerald and Basil had a few bears and were picking and singing. Gerald went into the house for a sec. He came out the door and stumbled. He rolled over on the ground got up and said "I didn't even spill the beer. That's a TUCK AND ROLL... I laughed til I cried.. he was funny.
I will always remember his sense of humor. His singing. And his love for Sharon.
Gerald and Sharon always treated me like family even after Basil and I were no longer together.
I will miss Gerald.
