“ Though I only met Glen a couple of times, I could tell his heart was full of love for his family. Thinking of you all now.

“ I'll never forget Glen's warm smile greeting us on Whitlock field as he arrived with Nick for muppet soccer. Our families grew close as we watched our boys grow into young men. Glen's love for painting and natural talent was a secret treasure. Our wish for Glen's family is that they find peace and comfort knowing they have the support of friends who love them.

“ Glenn was my brother-in-law for many years, and my family. Glenn and I shared many similarities, and connected in a way that was really special to me. I biked, and hiked and enjoyed Glenn's cooking, and listening to Glenn tell his stories about art, and his break dancing days. His laugh, I will remember his laugh... when he was really tickled by something, man could he laugh. Even in the darkest of times the bright light of hope and love will always find a way to shine. I love you Glenn, rest easy now, for although this journey has ended, a new one has began.
