

James Richard Long

March 4, 1947 - November 22, 2019

Dr. James Richard Long, DMD, who passed away at the age of 72 with his loving wife at his side, was a follower of Jesus Christ, the father of seven children, and an orthodontist that loved his community.

Dr. Long was born in Buffalo, NY to the late Samuel Anthony Long and Bernice Victoria Long. During his adolescence, Dr. Long volunteered for the Ellicott Creek Fire Company with his father, and attended Sweet Home High School, where he was very popular but kept under watchful eye by his older sisters Sandra and Judy. After high school, Dr. Long attended the University of Louisville, where he was the president of his fraternity, Zeta Beta Tau. After graduating with a Bachelor of Science in Biology from University of Louisville, Dr. Long drove a truck for Pfizer in Chicago before moving back to Kentucky for dental school. Dr. Long received his DMD from the University of Louisville and was named Alpha Omega Honor for outstanding scholastic achievement in Dentistry, graduating first in his class. He then graduated from Emory University in Orthodontics and Maxillo-Facial Orthopedics in 1976.

Dr. Long began his orthodontic practice working for Dr. Alan Goldman, where he mastered his craft. Dr. Long then went on to open his own practices in College Park, Thomaston, Douglasville, Hiram, and Fayetteville, Georgia. In 1996, Dr. Long opened his office in Newnan and in 2008, opened an additional office in Peachtree City. In 2015 Dr. Long sold his practice to Family Orthodontics where he continued to practice in Peachtree City and Newnan until May of 2019.

In 1987, Dr. Long met his wife Lisa, whom he adored. After getting married, Lisa and Dr. Long moved to Fayetteville where they had six children together. Outside of his love for orthodontics, Dr. Long found purpose and meaning in raising his family. Dr. Long served as a coach on numerous sports teams that his children were a part of including but not limited to the Fayetteville Mariners, the Fayetteville Raiders, the Coweta Cannons and the Sharpsburg White Sox. All of Dr. Long's children have served or are currently serving in the military. During the later years of his life, Dr. Long spent his time visiting his children

across the globe.

All of Dr. Long's children served in the military, and he was very proud and encouraging of their service. Two of his sons graduated from the United States Naval Academy, two sons from West Point and his two daughters graduated from the Air Force Academy. While his children were serving he spent many of his weekends away visiting and watching them participate in athletics at their respective Service Academies. Dr. Long also served as the President of the West Point Georgia Parent

Club, helping other local parents connect and understand the West Point experience by hosting and sponsoring quarterly meetings around the state.

Dr. Long has been a member of First Baptist of Newnan for 21 years. At the time of his death, he was on the active board of deacons where just three weeks ago, he attended his last deacons meeting. Dr. Long hosted many events at his home as part of the Chinese ministry at First Baptist to include gatherings for the Chinese pilots training to be aviators in Newnan.

Dr. Long loved serving others. He gave his time and resources to orphans at the Rock Ranch in Thomaston, Georgia. He taught his children to love people and to find a purpose in life helping others. Dr. Long often spent his Saturday's meeting and greeting patients at local schools and community events and served on the Board at the Summit YMCA. Dr. Long loved his work and his patients. He supported the Boy Scouts of America where his sons were actively involved in Troop 175 and 209 and followed them to become Eagle Scouts.

Since 1993, Dr. Long has served as a dentist on countless Christian Mission trips to Columbia, Honduras, and Ecuador. Dr. Long had a heart for the underprivileged and hundreds would line up to see him when he would arrive in country. He performed countless extractions to bring people out of suffering and would share the Gospel with his patients. His heart for missions was ongoing and he had planned to take another mission trip in 2020.

James found purpose in helping others as an orthodontist and loved bringing smiles to others. Dr. Long lived to work and bring joy to others. In February of 2019, Dr. Long was diagnosed with sepsis, and after an amputation and 6 months in the hospital, Dr. Long returned home where he was nurtured back to health by his family. Throughout his illness, he maintained a positive attitude and a strong desire to continue his craft, bringing smiles to others. Dr. Long never retired and was determined to do what God had purposed him to

do all the way until the end. Dr. Long saw his last patient two weeks prior to his passing.

Dr. James is survived by his loving wife, Lisa Burton Long; children, James Richard Long II and his wife Jennifer (Huamin), Samuel Quince Long and his wife Jenna, Charles A. Long and his wife Racheal, John C. Long and his wife Chloe, Lainie Long Hoffer and her husband Lucas, Lindy Long Jones and her husband Tyler, James Tyler Long; grandchildren, Alice Long, Quince Long; sisters, Sandra Long Williams, Judy Long, mother-in-law Pat Burton who was married to the late Quince Lamar Burton.

“ Jimmy's family:

I am Billy Long Jim's cousin, (I used Jimmy and Billy because that is who we were) we grew up together on Hawley Street until we were about 10 when his family moved to Creekside in Tonawanda. We saw each other over the years but grew apart as time went on. We shared a lot in those early days of our life and I always looked up to him.

So today I met Sandra to look at a house and she told me Jim had passed. I am devastated that he is gone and berate myself for not looking him up on my few trips to Atlanta. His picture reminds me of his father who was the nicest person in the world.

Please accept my heart felt condolences.

“ I have just heard of Dr. Long's passing. He was a lifesaver to my TMJ after seeing 8 different doctors in 2012. And I am currently a maintenance patient for Invisalign in the practice in Newnan. He was so personable and we found that he knew my mom's first cousin, Walter Sheffield in Emory Dental School. He said Walter (from Colquitt, Ga) was his mentor. Both believed in stretching the bone rather than extracting teeth

for braces. After reading his story, I am inspired by all the accomplishments he made in his life not only with career but also his family, community and faith. God bless each of his family members as you accept this loss.

“ Dear Lisa,
We are so sorry and shocked to hear of the passing of our beloved James. The last time I saw him, he looked so good and was so optimistic. We were out of town when you lost him. Our hearts go out to you and the family. All of you will be in our thoughts and prayers. He was such a great leader, and he will be missed by everyone. He made the world a better place for so many people.

You are so admirable and strong. Thank you for being a model wife, mother, and friend.

Fondly,

“ I was saddened to hear of Dr. Long's passing. I cannot believe it. Dr. Long serviced both my son and me in the 90's for braces when my children were students at Woodward Academy. I met Lisa as well during that time. I knew Lisa and Dr. Long were Christians just by the way they carried themselves and kept the 6 beautiful children busy doing work that was to help others. When I would visit him at his office for ortho work, he made me very comfortable and his office staff were so accommodating. I will always hold the Long Family in high esteem.

I pray God's mercy and grace on the family and Dr. Long's legacy will live on through his wife and their children.

God's love,

“ Our family grieves the passing of Dr. Long. He will be missed and dearly remembered by the Rowe Family. His expert, family-oriented orthodontic care in Newnan touched all four children over a span of fourteen years, giving them all beautiful smiles. We will always remember his very special smile, joyful laugh, and upstanding example of service to God, country, and community. We extend our heartfelt sympathy to Mrs. Long and the entire Long family.

“ Dr. Long was the orthodontist for both of my children 10 years apart. When I came in with my second child he recognized me and could not believe the young man with me was the same little boy that came with his sister so many years ago. He was the same sweet man and a great doctor for both of my children. He will be missed.

“ We first met Dr. Long shortly after moving to Georgia, while looking for a family orthodontist. We could not have expected to have met a true friend. It has been a blessing to have met Dr. Long—he has welcomed us into the Newnan community with open arms, and his kindness, warmth, energy, generosity and infectious laughter will be dearly missed by everyone who knew him. We are incredibly saddened by this news and will keep the Long family in our thoughts and prayers. Our thoughts and deepest sympathies.

Lisa , With wishes for all kind of healing, as you and your family believe you loved one will never die. .. He shelters with his goodness all the time.

“ Dr. Long was an Amazing man who had a big heart. He always wore a smile on his face. He always appeared to be happy. Full of energy and life. He would always acknowledge me (Sabrina Baitey) and my grandson (Jairo Zarate). He remembered my mother (Ruth Baitey) and sister (Sheretta Parker). My mother Ruth (deceased) and my sister Sheretta both worked for Dr. Long and Lisa. They helped with the 7 kids they had...Dr. Long would always have a story to tell me about the kids when they were younger and some of the things they said to my sister Sheretta. He would just laugh, he had an awesome sense of humor. Always in good spirit and a kind hearted man. My grandson loved talking to Dr. Long. He made all the kids feel comfortable when checking their teeth...My grandson kept asking when was he coming back. He's heart broken that Dr. Long is never returning....Rest in Peace Dr. Long. I know you earned your wings...We Love You!..

“ Savannah has seen Dr. Long for 7 years during both phases of her orthodontic journey. We made the commute from Dville to Newnan after he closed his practice and started with Family Ortho. When Savannah was kicked in the mouth at cheer, he went above and beyond. Always a smile, always making us both feel welcome. We were praying for him when he was on medical leave. He will be missed. “ Lisa and Family,

So sorry to hear of Jimmy's passing. His laughter certainly could be heard across a room and would light up where ever he was. I always loved when he visited Buffalo and My dad always looked forward to visiting and joking with him. Many happy memories were made on vacation at sparrow lake.

His love of family , people and community certainly is apparent by all the work he orchestrated for those In need that he could help, in his life's work and immense pride in his wife, their children and spouses.

I am sure his presence here on earth will be palpable and he will be missed by all who loved him but I can't help but think about the deep laughter, huge smiles and the joyful reunion he is having with Uncle Sam, Aunt Bernice, Uncle Charlie and all his other Aunts , Uncles and relatives and how they are joking.

Sending strength for all the family at this difficult time
