“ I want to begin by saying that both Bruce and Janet were two of the sweetest people I had met since moving to Scottsboro! I had the pleasure of seeing them (almost) daily for several years, as I worked at the cardiac rehab program where they exercised. I used to joke that if I ever needed a day off Janet could definitely fill in for me (she knew all of the other people, which machines they used and for how long) I saw how devoted these two sweethearts were to each other as well as their daughters and families! (And their dogs). I truly enjoyed seeing them walk through the door when they arrived, also a smile on their faces and a kind word for everyone in the room It saddens me to hear that Janet has passed and my prayers for her loving family...however I know there was one very happy and sweet man waiting in heaven for their reunion and that makes me smile! Bless you all!
