

John Richard "Rick" Tamplin

May 19, 1952 - July 15, 2021

John Richard "Rick" Tamplin, 69, passed away on July 15, 2021 at Piedmont Atlanta Hospital after a three month battle with heart failure. He was born May 19, 1952. Growing up in Calhoun, Georgia, he enjoyed all the typical activities of a small town boy: football, basketball, golf, fishing, and anything else he could find to do outside. He especially loved tagging along with his two older brothers, Jimmy and Bobby. His father was a local pharmacist and his mother did the best she could to keep a tight rein on three active, mischievous boys. Rick was the quarterback of the Calhoun High School football team, and he always said that one of his greatest regrets was not being big enough to play college football.

He began his college career at Tulane University, but transferred to the University of Georgia after his sophomore year. He earned a Bachelor's of Business Administration in Risk Management and Insurance and was president of the Kappa Alpha fraternity. He was a lifelong Bulldog fan and one of his fondest memories was going to the Rose Bowl to cheer them on against Oklahoma in 2018.

Rick was a Senior Vice President of J. Smith Lanier and Company until his retirement in 2019. After his retirement, his passion was golf and he enjoyed traveling to golf courses around the world. He loved his golf buddies like brothers. He spent much of his summers at the family's mountain cottage in Cashiers, North Carolina where he made many close friends at Mountaintop Golf Club. He was a member of Newnan First United Methodist Church.

Rick and his wife, the former Carol Robbins, grew up in the same neighborhood in Calhoun and ran into each other at a soda fountain in a drug store in Dalton where Carol was doing part of her pharmacy internship. He came in the next day to get a milkshake and ask Carol for a date and they were married for 43 years.

The two shining stars in Rick's life were his daughters, Julianne and Sarah. He spoke with them almost every day and was always being called upon by them to "fix things". Rick was a great handyman and giver of advice.

Rick is preceded in death by his parents, James Arthur Tamplin, Sr. and Edyth Tyner Tamplin. He is survived by his wife, Carol Tamplin, daughters Julianne (Mill) Graves and Sarah (Preston) Hagler, three grandchildren, Penn Graves, Eliza Hagler, and Howard

Hagler, brothers James Tamplin, Jr.(Suzanne) and Robert Tamplin (Marika), and nieces and nephews.

The service will be Monday morning, July 19th, at 10:00AM at Newnan First United Methodist Church with a reception afterward in the church Parish Hall. In lieu of flowers, the family requests donations to your favorite charity.

“ Sarah,

I am very saddened by the loss of your dad. You already know that I was blessed to know him because I coached you at Peachtree City Lazars. I know he loved watching his talented, funny daughter play and he wanted to do anything he could do to help bond and look out for any kid and family who had a daughter on our team. He was all about our entire team and making it like a family and THAT IS INCREDIBLY RARE IN YOUTH SOCCER. Usually the parents who do approach you and want to talk to you all the time are only doing so for the sake of their own kid and no one else's. Rick was the opposite. He cared about all of the kids, all of his daughter's teammates and he definitely looked out for me as the coach. He didn't have to do so either- because his daughter Sarah was a starter no matter who was coaching that team! So Rick Tamplin could have just sat there, helped no one and just sat back and said, "Yeah, that's my daughter over there with the Pink shoes." "Yeah, the one who just scored on that rocket shot with all the movement-,that's my daughter!" "Good isn't she?" Instead Rick would ask me all the time, "Does the team need anything? " "Are the girls getting along?" He even offered to put the girls up together in some cabin so they could bond together over a shared fun shared experience just to make them closer with one another before we went to US CLUB NATIONALS!

What I will never forget about Rick is that he cared about everyone. He used to help me with my Car insurance and then finish it up so fast , then he would ask me about my dad who was sick at the time. He didn't have to do that. He genuinely cared about people. He was the classiest Southern gentleman I ever met. If there was something he could do for you he would already do it for you before you could say no. Then when you would tell him, " Rick, you didn't have to do that" ,he would slickly ignore you by completely changing the subject as if to say,

"Look Yankee, just let me do what I do cuz I felt like doing it." "If I didn't like you, I wouldn't even help you at all!" I'd just send you back to Yankeeville" Rick never said that to me because he had way too much class for that. He just changed the subject, smoothly!" Sometimes, he changed the subject twice just to teach me that he was gonna help me and it wasn't even a conversation!

Rick Tamplin was definitely one of GOD'S ANGELS HERE ON EARTH SENT TO HELP OTHERS. Nobody can tell me differently!

To the entire Tamplin Family, inlaws, etc. I am very sorry for your loss. Every morning you are in my prayers. At this difficult time I definitely hope that you will take a great deal of comfort in knowing that Rick IS ABSOLUTELY IN HEAVEN RIGHT NOW and HE'S PROBABLY TELLING GOD, "HOW CAN I HELP YOU!?"

GOD absolutely knew that RICK was one of HIS GREATEST FAITHFUL SERVANTS! You will definitely be seeing Rick again in Heaven. However, Rick will definitely be in FIRST CLASS and I'll be that guy the angels put in the back of the plane and don't let anywhere

near THE FIRST CLASS VIP SECTION!

May GOD give the entire Tamplin Family Strength and Comfort at this difficult time!

“ All of my childhood memories, “playing” at Granddaddy and Grandmother Tyner’s with my cousin Ricky.....NEVER FORGOTTEN.
I always thought it was neat that Sam Edwards included Ricky’s High School Football skills as a quarterback in the book that he wrote on the Jimmy Carter White House.
Rest In Peace Cousin!

“ Rick was a member of the Board of Directors of Bank of Coweta for many years and fulfilled this role in a very professional way. He was always present at meetings and gave his support to the bank and it's team members. What an outstanding job he did! It was a real pleasure to serve with him. I was so shocked to learn of Rick's death and want to offer my sincere sympathy and prayers to Carol and the rest of his family. May God bless you and strengthen you in the days ahead.
