“ Kathy was a great mom, friend, shoulder to cry on and even a counselor to me and the 17 years I knew her I watched her make her gardens beautiful, take in stray animals (including me when I was 16) and see her be the voice of reason in bad situations. I loved kathy with so much of my heart and her family. She will be forever missed but we know because of what a wonderful person she was that she is in heaven with all her animals and family members that she missed. Nothing and no one can ever describe kathy for who she really was, because she was so many things to so many people. We all loved her and I imagine her right now in heaven with baby cat with her own garden that God has given her to tend.

“ I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the scriptures fill you with hope and promise.

“ Oh how do I share A MEMORY. Kathy will always be in my heart and memories. The endless run to the phone and say go look at the moon, the stars, the sunsets, and yes we would run out to catch any glimpse of a rainbow. The excitement and sparkle in her eyes with each new craft venture, with stories of her kids or a new recipe we would share. A stray kitten or a bird building a nest. Her love for every living thing reflected in her giving nature. Yes my friend I miss you now and always. God speed as you surf those magical gardens that I dream of. Watch over us. You are now OUR angel above.

“ To Allen, Amanda, and John Allen, and Wyolene, Karen, Kay and Kelly,

I have known and loved Kathy since we were in elementary school. I was so lucky to have her as one of my very best friends. I have so many memories of good times
