

Matthew Ryan Heidman

October 9, 1987 - December 14, 2020

Mat Heidman went to be with our Lord peacefully on Monday, December 14, 2020, in his home. He was born in Dallas, Texas to Jeff and Cindy Heidman.

He was a beloved son and big brother to Aaron. He moved from Keller, Texas to the Newnan area where he graduated from East Coweta High School in 2006. Ever since he was a little boy, Matthew had a passion for working with his hands. He proudly worked as a TechOps AMT for Delta Air Lines, dedicating his passion and talent for the work for over nine years. He was always willing to lend a hand to family and friends from helping with auto repairs to home projects. Matthew lived life to the fullest, enjoying simple pleasures such as fishing, hunting, and jeeping. He also worked on his cars and metalworking projects and loved to cut loose with his friends and family and spoil his dogs. His friends describe him as a character who loved to joke around and make others laugh. He will forever be remembered as a sweet and caring brother, son, and friend. Matthew will be forever in our hearts and minds.

“ Just wanted to let you know, that Jeff you and your family have been in my thoughts and prayers since I heard the news about Matt. I really wished I knew the right things to say at a time like this...but I really can't think of any. If there is anything I can do for you or your family...please don't hesitate to reach out.

“ Hey Jeff. You and your family are on my mind and in my prayers. Quick story. In an effort to get to know the crew in department 284 I brought in a few dozen, hot, Krispy Kreme donuts. After spreading the boxes around the shop, I saw Matt walking towards me, donut in hand. He proceeded to give me a big bear hug and tell me that I was his favorite Lead. Glad I got a chance to get to know Matt. He was a good worker and a great friend. You know the apple didn't fall far from the tree with that one. Peace.

“ Dear Cindy, Jeff and Aaron:

I wanted to express my sorrow for your tremendous loss. It is a loss no parent should ever experience and the loss of a sibling leaves a whole in your heart. We will never know why the truly good ones leave so soon. But, I know that in time, your memories of tMatthew will bring smiles to you once again. Sounds you hear and things you see will bring back thoughts of him. Matthew will be with you every day, in so many different ways. You will still feel his presence from time to time, never quite the same as before, but ever present. My deepest sympathies to your family.

With Love,

“ Matthew became our neighbor after Rick passed and Joannie returned to Texas. When we saw him, more often than not, he would be leaning under the hood of a vehicle always fixing something. When our mower wouldn't crank, my husband immediately said I'll get Matthew to take a look. He walked over the next morning with tool box in hand and had it running within a minute! I wanted to pay him for his trouble but he refused saying "that's what neighbors are for." I think that pretty much sums up what a fine young man Matthew was. He had a kind, generous, and quiet spirit. We will miss him.

“ Jeff, Cindy, and Aaron. I'm so incredibly sorry for your loss. Matthew was such a genuine person, and I looked up to him for his humility, sense of humor, and gratitude for the small pleasures in life. I remember how proud he was of Aaron the day he and Peyton got married; he was so excited to support his brother. That's how I'll remember him, as a proud older brother and a really fun-loving guy. I'm sending you remembrance in the days to come and hoping for comfort for you all.

Experiencing the pain of a loss like this has to be excruciating. We pray for comfort and strength for you. It is hard that the ones who love you so much and would love to be with you during this time, cannot. So know that we are all with you in spirit, now, and in the days ahead. Take care my friends, and love to all.

He could work with anybody on anything and had the kindest soul. Matt always knew how to make anyone laugh and turn the worst situations into something to joke about. True talent.
