“ I was very fortunate to have the pleasure of working with Nancy at SunTrust. What fun we had and hard work was hand and hand, no nonsense and straight to the point. She was respected, loved, and will be missed by many.

“ Nancy and I worked closely together at SunTrust for many years. She was a loving and caring person that treated those in her department as members of her extended family, sharing their joys and sorrows. She was a more than capable manager, earning the respect of subordinates, superiors and clients alike. After her retirement, she remained friends with those who had been her colleagues. She will be missed, but her memory will live on in those of us who were fortunate enough to have known her well.
