“ Randy, I am so sorry to hear of Nora's passing. She and Pop and Momma and Daddy had been friends since, possibly, before you and I were born! I hope that you will find peace in your memories of her as I do with my Momma. Jennie

“ Randy & Sherri, My heart goes out to you both along with all the family. Aunt Nora was a special lady who personified the word "fun". I will always remember her love of life and how she craved to love and be loved. She was the surrogate grandmother to my two children when we lost my mom (her sister, Frances) and she always remembered birthdays. I will always be grateful to her for that. We have such a great family legacy of love started by our own grandparents and that has continued through each of their children and their children's children and so on. Aunt Nora was a spirit of light, love, dance and music and all things happy. I hope as you go through these next weeks, months and years you will draw from all the good memories because that is the legacy she left to each of us. We love and support you all always. Cindy & Ken
