Dr. O. Eugene Tyre

1940-2021

The life of Dr. O. Eugene Tyre can best be described in the words of Psalm 37:23 "The steps of a man are established by the Lord, and He delights in his way. " The Lord delighted in Dr. Gene Tyre when he arrived in His presence on the morning of Sunday, September 26, 2021. Otis Eugene Tyre, Jr. was born in Jesup, GA on Thursday, October 10, 1940 to the late Otis Eugene Tyre and Sara Wilson Tyre. Gene grew up the small rural community of Odum in Wayne County, GA. In addition to his parents, he was preceded in death by his sister, Joy Kinsey.

Gene was a fastidious student who believed in the value of education. In his teenage years, the Lord called Gene into ministry where he was ordained in January 1959 at the age of 18. After graduating from Odum High School in 1958, he enrolled and earned a Bachelor of Arts degree from the Southern Baptist affiliated school, Mercer University in Macon. Gene obtained his Master of Divinity and Doctor of Ministry from the Southern Baptist Theological Seminary in Louisville, KY. His time at Mercer University left an imprint on him and he dedicated many hours to the benefit of the school by serving as a trustee. Realizing the importance of his educational experience, he taught and encouraged many students as an adjunct professor at New Orleans Baptist Theological Seminary, Southern Baptist Theological Seminary, and at Candler School of Theology.

Dr. Tyre began church ministry as a student pastor at Rodgers Baptist Church in Collins, GA and English Baptist Church in English, KY. He also served at Belmont Baptist Church in Calhoun, GA, Headland Heights Baptist Church in East Point, GA, and First Baptist Church of Cartersville. In 1972, he was called to be the Senior Pastor of Rainbow Park Baptist Church in Decatur, GA where he faithfully served for 10 years. In 1982, Dr. Tyre was called to be the Senior Pastor at the First Baptist Church of Newnan. After moving to Newnan, he and his family immersed themselves in the community and led the congregation through many years of growth and prosperity. He was incredibly humbled to

be asked to serve as the Chaplain of the Newnan Cougars Football team where he was an integral part of the lives of many young men who he led to Christ. In 2005, at the age of 65, Dr. Tyre retired from First Baptist Newnan after 23 years of dedicated, faithful service. In 2004, his commitment to his community was recognized by one of the highest honors in Coweta County, being named Citizen of the Year. He later became the Senior Pastor of Providence Baptist Church in Rico, GA for several years and was currently serving as interim pastor for White Oak First Baptist Church in Newnan.

After several months of retirement, Dr. Tyre felt the call to continue his ministry outside the walls of a church. He continued his ministry by working for Georgia Bone and Joint counseling with their patients. He became involved in another Christian organization, The Summit Family YMCA in Newnan. He could be found most mornings working out at the YMCA and then staying to volunteer. Dr. Tyre was the Chairman of the board and was recognized for his service by having a meeting room at the YMCA named in his honor. In 1996, he was honored to be one of the local Olympic "torch bearers."

Dr. Tyre was not only committed to service in his community but also the Georgia Baptist Convention. He served as Vice-President of the Georgia Baptist Convention, Chairman of the Georgia Baptist Hospital Commission, and Chairman of the Executive Committee of the Georgia Baptist Convention. Dr. Tyre's work in the Georgia Baptist Convention was recognized when he received the James Westberry Award for service to the Georgia Baptist Convention and Mercer University.

The memorial service is 4:00 p.m. Sunday, October 3, 2021, at the First Baptist Church of Newnan with Dr. Jim Ellison officiating. Rather than flowers, the family requests memorial contributions be made to Coweta Fellowship of Christian Athletes, 90 Glenda Trace, Newnan, GA 30265 or www.cowetafca.org/donate

“ Gene Tyre has left heavy tracks in Newnan and environs. I remember interviewing him and Rev. Willie Johnson for a newspaper story many year ago, as the two of them sought to bridge the chasm that too often separated Christians of different races in our town. I also remember the service at First Baptist after 9-11, when Gene made sure Rev. R. W. Sutton had a major role. Later I ran into Gene and Margaret and had a great discussion on Calvinism/Arminianism between the racks of clothes. Finally, I observed the sheer enjoyment he had as the pastor of a smaller church at Rico -- an experience that I treasure from my life as the country parson in Meriwether County. Lynn and I are praying for Margaret and all the family.

“ Dear Margaret, Jenny and Mihai, I am so incredibly sorry for your loss!! Your beloved Dr, Tyre played such an integral role in the life of our family. The years I spent on staff with him at FBC will always be treasured memories. He officiated our wedding and baptized my husband and youngest daughter. Most recently, I would see him at the Summit gym lighting up the room with his his charisma!
May God grant you strength and comfort for each new day! I can hear him singing with the heavenly host...Victory in Jesus!!!

“ Dr. Tyre was our Minister for many years and was always there for our Family. His love for Newnan/Coweta County was always evident. He served as a Champlain for the Newnan High School Cougars and our Son had the privilege of not only having him for a Pastor but a Friend on the sidelines of Drake Stadium. Dr. Tyre is going to be missed by everyone's life that he has touched over the Years. Prayer's for the Family as the move forward without this special Man. Joy Brown Barnes

“ I was fortunate to know Dr. Tyre for many years. He and Miss Margaret would come into the QuikTrip where I worked for a long time. He always had a kind word, we would talk about running as he and I saw one another at the 5K races in Newnan and both of us had run the Peachtree Road Race many times. I was never in his congregation, but one day I mentioned being a lifelong Catholic, he said he has many Catholic friends and they are good people too!

Many Blessings,
James Todd

“ My Sympathies to Margaret and Jenny. Dr. Tyre meant so much to the Custer family at Headland Heights Baptist. In 1971, he married Frank and me. Later as a young couple, Frank and I joined at Rainbow Park Baptist where he was the pastor. He baptized Frank there and we learned so much from his teachings and messages. Dr/Pastor Gene Tyre had a huge Christian influence in our lives. The Bible verse for the obituary is perfect for Pastor Tyre. Jackie Custer Brandon

“ Dr. Tyre has left a legacy of good works that are paying dividends for hundreds of people, like me and my household, on this side of eternity and on the other side. The words that immediately come to mind are, "well done good and faithful servant of the LORD!" He always had a word of encouragement and in Dr. Tyre's own words, I can hear him say to the Newnan Cougar football family and Fellowship of Christian Athletes as he told us the story of David and Goliath, "can you believe that, men!" He imparted on many of us through the scriptures in the book of Philippians, the belief that, "I can do all things through Christ who strengthens me."

Dr. Tyre was there for me and my family during the biggest tragedy of our lives--the loss of my 9-year-old sister in a tragic car accident, where I was the lone driver. Days after the accident, it was Dr. Tyre who accompanied my parents to the hospital to visit and break the news to then 16-year-old me, that my sister had died in that accident. It was Dr. Tyre who welcomed us to First Baptist Church to have the funeral service. And it was Dr. Tyre who did the eulogy in the most excellent and compassionate way--calling the children, friends, and classmates of my sister up front during the service and explaining powerfully how her transition was like when they fall asleep in the car on the way home and they wake up the next morning in bed, after daddy or mommy has carried them from the car and laid them there. He explained that my sister had fallen asleep and woke up safe in the arms of the LORD.

Since that time and each time I would see him, Dr. Tyre has continued to be a tremendous encourager for me throughout my life's journey and he has been a constant reminder to me that, all things are possible with God.

Dear family, on behalf of my family and myself, I thank you for sharing Dr. Tyre with us! And I know that he is now resting well and safe in the arms of the LORD.

Sincerely,

Vernon M. Strickland, Esq.

“ Margaret, so sad to learn of Gene's death. We do rejoice in knowing he is in the arms of our savior. My prayer for you and Jenny and all who loved Gene is that God in his boundless grace will let good memories soften your sorrow as you learn to live without Gene's earthly presence in your lives. We will always be grateful for his presence in our lives during our Rainbow Park days!

“ I worked under Dr Tyre's leadership for twenty years. Not only did he live by example of God's word, but he was an excellent business and financial leader. I never heard him say an unkind word even when burdened with unfortunate issues. He was a blessing to our community. Margaret, you are being loved by a very dear Angel.

“ Doc was such an amazing person to have come into our lives he touched our souls and filled our hearts with so much joy every time we saw him. He helped us to reconnect with our Lord and Savior. Doc will be missed greatly by so many. I don't believe Doc ever knew a stranger. I remember when I first met him at Providence. He made me feel so welcome, as if I had been there as a part of the Providence family for years. We will never forget you and will cherish the memories that were made forever. We send our condolences to Ms. Margaret, Jenny, Mihai and all the family. Doc would want us to all to keep our heads up and celebrate him. He is now with our Lord that he so loved and worked so hard for. Doc's time on earth seemed as if he was an Angel who walked among us. Our hearts go out to the family in this time of sorrow. Rest in paradise Doc! We will meet again in the Kingdom of Heaven. Thank you Doc for the Love you shared for our family!

“ Having not been in Dr. Tyre's congregation, I came to know him more through sports. I had great respect for him as a community leader in Newnan. I remember him riding with Coach Bass to away games and the great tribute he paid to Max when they honored Coach Bass at his retirement. I came to know him better at Lenten services and enjoyed hearing his sermons at those services. I'm glad God put us on the "same playing field!"

“ A blanket of sadness enfolds me since I learned of Gene's death moments ago. As ministerial students, we met at Mercer in H. Lewis Batts' religion class. He was seeking housing, so I recommended the two-story wooden house on Edgewood Avenue, across the street from the men's dormitory, replaced now by the University Center. The rent was \$51 per quarter. Five couples occupied the dwelling.

While we attended different seminaries we later reconnected as we preached in each other's church during revival emphases. Gene was remarkable in that his focus was two- fold: The exercise of scholarship and service. He was always well prepared whether he taught or preached. Simultaneously, he reached out in compassion and yielded servant ministry to hurting persons. His goal was to achieve excellence in all that he performed.

Like prized pearls on a string, a plethora of precious memories fills my heart this moment as I grieve his death. To wife Margaret and the entire family, I offer my prayers for God's amazing grace to undergird you, guide you, and support you in this difficult hour.

It was a genuine joy to have known Gene (and Margaret) for my life has been enriched greatly through the exchange. Sincerely, Dr. Charles Wm. Brown, Maryville, TN.

“ We were honored and privileged to call Gene our pastor and friend for over 25 years. He was a faithful, and in exhaustible Godly servant. There are not enough adjectives to describe the many people he has touched. We feel confident that within 60 seconds of stepping on the streets of gold he was running to find his place of service. Sending our love and sympathy to Margaret, Jenny and Miahi - God's spirit will see you through these difficult days.

“ Gene Tyre was a wonderful colleague during the seven years that I served as pastor of Rico United Methodist Church. He was a true servant of God, with great foresight with regard to the ministry of the church in the community. It was during his time as pastor of Providence that the congregation erected the building that has since been used for many community activities within the city of Chatt. Hills.

What a difference this soul made in my life - and my family's lives, though some don't even know that - over the past four years or so. Thanks be to God for His unspeakable gifts. “ Brother Gene was our pastor at Belmont Baptist Church in Calhoun Georgia from 1965-1969. We loved serving during his time of ministry and were sad when he left. Our 3 boys and his daughter were near the same age. Our congregation grew in number and spiritually under his leadership. Our memories of him and his family are so precious.
