

Peggy Ann Carter

May 5, 1938 - January 21, 2021

Peggy Ann McCroskey Carter, age 82, of Newnan, Georgia, passed away on January 21, 2021. She was born in Chattanooga, Tennessee on May 5, 1938, the youngest child of the late Joe E. McCroskey and Annie L. Pardue McCroskey.

Peggy graduated from Central High School in Chattanooga, Class of 1956 and thoroughly enjoyed participating in her class reunions. She loved to travel and experience life. As anyone who knows her can tell you, she lived life to the fullest, always looking for the next big adventure. Her unconditional love and positive spirit left an indelible impression on all who encountered her.

Peggy had an incredible (and detailed) memory. She could tell you the names, dates, time of day, situation and even what the weather was that day. She had the energy of a person more than half her age. She was spunky, funny, loving, honest and the best friend you could ever have. Although small in stature, she was a grand presence. Strong willed and eternally positive, she was always there to lift you up. She loved spending time with her grand and great-grandchildren and leaves them with warm loving memories of their 'Nanny'. Peggy was as beautiful inside as she was outside.

Peggy was preceded in death by her husband of 59 years, Dale R. Carter Sr. She leaves behind two children, Penny (Michael) Farbo of Newnan, GA; and Dale (Sherry) R. Carter Jr. of Navarre, FL; and 5 Grandchildren; Michael J. Farbo, Christopher P. Farbo, Angela D. Dill, Danielle M. Langley and Jessica B. Carter. Peggy had 14 Great grandchildren that she adored.

Visitation will be held Tuesday, February 2, 2021 from 6-8 pm at McKoon Funeral Home Chapel, 38 Jackson Street in Newnan, GA. The graveside service will take place Wednesday, February 3, 2021 at Georgia National Cemetery in Canton, Georgia at 11:00 AM.

“ I am the wife of her first grandchild Mike, and from the moment I met her, she became one of strongest and most influential women I'd ever have the privilege of having in my life. She loved, supported, and accepted me like I was one of her very own grandchildren instantly, and made sure we felt her love every time we were with her. She was the epitome of strength in our family, had an undeniable style, adored her home and flowers, and loved her family so very much. She took pride in everything she did, and rightfully so, because she did everything with Grace. Nanny was absolutely one of a kind, with the energy, spunk, and spirit of someone more than half her age. She has taught me so much about love, life, and what's important in this world, and not a day will go by without missing her. My children and husband all have dimples that started with her, and I will cherish being able to see a little bit of Nanny every time I see them smile. Rest peacefully Nanny, watch over us until we all hug again.

“ Peggy was my Grandmother. All of us grandchildren called her Nanny. She had a larger than life personality with a true zest for life. She loved to travel, garden, decorate her house, play card games with her friends, attend church, cook, and go shopping. Her style was beautiful and fancy. She was also an amazingly strong women and that’s what I admired about her most. Through the most difficult challenges in her life she would always seek out the positive and encourage others in the process. She was truly one of my biggest role models and she will be so missed. I’ll love her always. Not sure how I will live without her but one thing is for sure, I will live out the rest of my days trying to be just a quarter of what she was.

“ My Aunt Peggy was a bundle of joy, happiness, love and laughter. I have so many memories of her throughout my life. She loved her family and friends. She loved gardening, playing Bunco, Chic-fila, She loved to travel and with her military husband Johnny and lived all over the world including Germany and Hawaii. She loved Dolly Partin and Elvis, especially Elvis singing her favorite hymns. She loved life and lived it with excitement! She never met a stranger. She rarely said anything bad about anybody.

She loved her Lord and Savior and was a devout Christian. She told me not long ago that she looked at me as a younger sister since I was only ten years younger than her. I will always treasure the memories I have of Aunt Peggy. Rest In Peace, Aunt Peggy. You are greatly missed. Love you to the moon and back! Love from Brenda, one of your biggest fans.
