“ Edwina, Harley, Susan, and Families - Shocked and saddened to hear this morning of Harley's death. Time gets away so quickly - for some reason I'm having a hard time believing there are GREAT-grandchildren in the picture! When Ric and I were at Lovejoy UMC in early 1980's, we were greatly helped by the generous friendship. Faith has many expressions. Harley's unique perspective and humor are among our finest memories. “ Harley and Edwina came into my life at a very dark and difficult time over 15 years ago and they made me feel like I was their family! They stood by my side, held me up and prayed for me and my family. They truly showed me so much love and compassion and have ever since been true friends.

I always loved talking with Harley! We were always on the same page. He never held anything back and he was a very smart and funny guy. He listened and gave good advice. If he liked you or was your friend, there was nothing he would not do for you and sometimes you didn't even have to ask. He was a pillar of his community and a great husband, dad, granddaddy and great granddaddy. Him and Edwina made the perfect team. They lived to help people and every living animal. I can't count how many sofas they have had that the cats they rescued used as a scratching post and neither of them got mad, just got another sofa!

There will be so many great stories repeated in the weeks and months to come as Harley was loved and respected by so many and we are all going to truly miss him.
Love, Lynn

“ The countless small helps and gestures Harley constantly made add up to a great mountain of accomplishment. It's impossible to calculate how much he'll be missed. Yet he'd want all who love him to move on forward. He leaves a grand legacy of love. Jack Couch
