“ My heartfelt sympathy to all of Ronald's family friends and loved ones! He was a part of my childhood days and about 10 years older than me. I do remember fun times at my Gramps house with him and other cousins on special occasions. When I look at his pictures, I see my Uncle Sye and my granddaddy, Willie Orie Orr..I see happiness, love and joy in his smile and in his eyes.

“ I met Ron and Ruby in 1964 in Myrtle Beach, back when Myrtle Beach was nothing but a tiny Air Force town, nothing like it is today. We did a lot of crazy things back then. Ron was in the Air Force, and we would spend time with him on active duty. He would release Air Force airmen who were being detained for being late from weekend leave, and we would play football with them. And I loved playing with his guard dog named Lady.

Through the years we had other experiences together. He traveled halfway across the country with me once. We had a lot of fun together on that trip. Another time he came to Utah and we attended a BYU football game together. Sometimes it seemed he just knew when to be there when I needed to be uplifted.

He always opened his home to me and my family and made us feel so at home. It was always a joy to talk with him because, to me, he was a true Southerner. I enjoyed my time in the South, and talking with Ron brought back many fond memories of the time I spent there.

It probably won't be the same as your family, but I will miss you, Ron. You truly were a wonderful friend. You had many challenges, but you faced them well. Your journey is now complete, and you have moved on to a much more comfortable and glorious place. Thank you for making life better for a lot of people.
