“ I remember when our dad (Frank) had his first heart failure. My mom was beside herself, but called all the brothers and family to let them know. At the time we lived in Gurnee, Tom and Sue in Tinley Park (i think). Tom drove out to sit with us all, and told us not to worry that Frank was a tough man and this was not his end. He was correct as dad had another good 30 years after that. We had many additional family get together in that 30 plus years. You are always family even though apart. We are so very sorry for your families loss.
