“ I am just now learning of Todd’s passing. My family entrusted many of our fur babies to his care and he was always such a kind, gentle man. He genuinely cared for each of the animals he transported and made leaving them that much easier. I remember taking one of our cats to him and I didn’t have a carrier for her. When I opened the door, she ran for the street. Todd helped chase her down to get her in the bus safely. I was grateful then and I am grateful now. I am so sad to hear of this.

“ Todd would randomly stop by when he'd see the kids and I outside. No matter where we'd move, there'd come Todd! What I remember most is the fact he always had a smile and a positive word! He knew just what to say and when to say it to make me roar with laughter regardless if I was crying or just angry. He truly was like a brother to me!! Will look for that beautiful soul in heaven!
