“*Mrs. Cummings is a very loved woman. My husband and I meet her though her son Deroven. Ever since then she have been in our life. We will miss her so and love her for ever. The last hoilday card we got from her that she custom made was a Easter card. Within the card was a little message she put in there, that I would like to share with everyone. " Before you speak, listen. Before you write, think. Before you spend, earn. Before invest, investigate. Before you criticize, wait. Before you quit, try. Before you retire, save. Before you die, give." I would like to say again that Mrs. Cummings will be missed and always loved in our family!!!! R.I.P nana*

“*Aunt Agnes was one fantastic aunt and she will live forever in my heart. There are many memories of her from childhood but my favorite is the infamous "Maryland beach trip" to see Grandmother Graves. Travel well Aunt Agnes and know that our lives are better because we were touched by you! Love to all the family, Debbie & Tom Wall*
