“ Our deepest condolences to the family of Doris and Al. They were such a vital part of the St. George family. Always ready to act and to serve. Doris always referred to me as her sister because of our hair color, but she really was a true sister in Christ. Al was always there as a strong but gentle presence and we enjoyed many laughs together after morning Mass. Rest in peace dear friends. You will never be forgotten. Cathy and Fred Rook

“ Al and Doris were good friends and next-door neighbors for about 20 years before they moved to Georgia. They still often visited us when they came back to Alabama. To list all the wonderful ways they helped our family would take a book. We could never repay all their kindnesses. What a fine godly couple! We will miss them!

My daddy, Charles Smitherman is standing next to Aunt Doris. This was taken in January 2019 at my mama's funeral. Randy, Uncle David's son drove Uncle Al. Aunt Doris, Aunt Sara and Uncle David to mama's funeral in Brent, AL. It was just a comfort to our family to have them there.

We are broken hearted to hear about Al & Doris. We have been wonderful friends for over 40 years. They were always so sweet and helpful. We had so many great times together, square dancing, K of C, church activities, Sunday lunches, Ed & Al golfing, or just visiting each other. I would always make Doris a new square dance dress each time I made myself one. She was just like my sister! We will truly miss talking to them and will always remember the Easter Sunday phone visit we had with them! Do keep in touch as we love you all very much.

*Al and Doris showed their love and devout faith to everyone at St. George Catholic Church. I will never forget their smiles, laughter and beautiful spirit they had every time you saw them!*

*We talked about family and how much they loved them and were very blessed after we ushered for Mass together. Al and Doris would reach out to anyone that needed help. They always showed their kindness and love. They will be missed by all, but just know there are two angels watching over you. My heart and prayers are with you during this difficult time. May your memories give you peace, comfort and healing.*
