“ *Dear Teresa and Family,
I just learned of Alan's death and wanted to let you know how sorry I am to hear of your loss. Alan was a one of a kind personality and he could always make us classmates smile. I was in homeroom with him all through school and we started the day with a laugh every day. I hope as you grieve, you will also sometimes laugh, too. I know he'd want that. Much love, Cathy Bryan Johnson*

“ *I was saddened to hear of Alan's passing. He and I grew up together in Grove Park, went to elementary school together at Lena Cox. We were in the same Cub Pack together , Troop 61. I have many fond memories of the time we spent running around our neighborhood on bicycles and playing ball together. My thoughts are with Teresa also since we were all together at Campbell High School.*

“ *OMG so shocked to here of my old friends passing. My former wife Janice worked with Terry at Shepards Co Dept Store when Alan was stationed in Quonset Point Rhode Island. They were asked to join our family for the Holiday...Alan & Terry sharing a holiday in an Italian Household was their 1st...and was shocked at the amount of food. From that point on we have remained friends and could share many many stories, both here and in GA...to Terry & Family you have my sincerest condolences as I'm sure Jan has too...*
