“ I'm a man of very few words, but I would like to pass on my condolences to the Whitten family. I met Bert at Morrow Junior High school and like him from the day that we met. He was a good kind-hearted person and he will be sorely missed. I am deeply saddened to hear of the loss of your son, brother and nephew as well as a very good friend. Rest In Peace Bert.

“ Bert was very near and dear to my heart. Hands down one of the sweetest friends I have ever known. He could remember things so vividly from many years past that were tucked away somewhere in my heart just waiting for him to revive. The two of us together would think back, laugh or cry, and re-live numerous sweet and some "not so sweet" memories from our childhood. We would share our current hopes, experiences, struggles and fears for the situations we faced and the future dreams we each had. No matter what was going on he would encourage and comfort me in a way that no one else ever could. He was one of a kind...that's for sure! He loved "the Law" and kept up with it religiously...daily I think! (Don't even get him started on that subject) His family and friends meant the world to him. Bert Whitten was an awesome man, and I feel very fortunate that the Lord allowed him to be a special part of my life. I hope that his family will find comfort and peace knowing that he was loved by me and all of his classmates and friends just as much as he loved us. He will be missed by all who had the pleasure of knowing him.

“ Bert was such a special person! I wish I could ask him when we first met (because I know he would definitely remember), but I believe it was in the 5th grade. He always laughed at me because the teacher didn't like me and the feeling was mutual. Bert didn't have a mean bone in his body, and it is a shame that he had to leave this life so early! I will certainly miss him! I pray that his family will find comfort in knowing that the Morrow High School Class of 1985 loved Bert very much!
