“ I am so sorry to hear that Alice passed away. Thinking about how I know Alice over the last week has really made me smile. The shenanigans that Diane, Kassie and I would get into. Alice knew when we were up to something and knew how to get it out of Diane just by lifting an eyebrow. My thoughts and prayers are with Diane and family.

“ Cindy and the entire family, I am so sorry for your loss. You are a living testimony to what a wonderful, virtuous woman your mother was. She will be missed everyday, but her memories will become sweeter and more precious as each day goes by.
