“ My grandma just celebrated her 80th birthday. She loved animals, Halloween & Christmas decorations. I always loved the Grinch & when I was growing up she would always wrap my Christmas presents in Grinch wrapping paper. I have many fond memories with my grandma & I will miss her dearly. Rest In Peace I love you!!

“ My mother made it to her 80th birthday, which was something she wanted to do. Not unlike Scarlett O'Hara in one of her favorite movies, Mama was determined, headstrong, but with great love for her family. She taught school for over twenty years-my husband was a former student- She was no-nonsense in the classroom;she once said she was strict because she wanted her students to succeed. Mama loved animals,Halloween and Christmas decorations,and fried green tomatoes. She had a heart for older people, and was a devoted grandmother to my children. I am so thankful that her departure from this earth was peaceful, and my prayer is for her to be at perfect peace in Heaven, as she is so deserving of that. Rest in peace, Mama, and thank you for loving me.
