“ Alice was a kind and beautiful lady. I was lucky enough to call her my neighbor and my true friend. She was always smiling. I will miss her very much. The last couple years made our friendship stronger and I have the comfort of knowing she was able to make good memories with her family at last. I know she is at peace because one of the last things she said was (tell Pat "I am coming home ") love you always

Thank you, Pat, for always checking in with her. It always made her day when she spoke with you. Mom was blessed to have you in her life.
