“ Tammy, Joey, Jack and Maryann: I was a HS classmate of Alice in Philadelphia. We stayed in touch all these years; in fact I just talked to her a few weeks before she died and she was so happy in her new house. I can't believe she's gone. I'll always remember fun at the Jersey shore, our trip to Hawaii, lunches together when we both worked downtown, the hanging beads she had in her first apartment. Lots of good times. My sympathies to you all. Carolyn Parker

“ Dear Joey and Tammy, Your Mom was my classmate and one of my best friends, growing up in Tacony. I was profoundly sorry to learn of her passing and will keep her, and you, in my prayers. She was a kind and loving person and I will remember her always with fondness. With deepest sympathy . Jane Smithwaite Tareila

“ If you were around Alice very long you knew how passionate she was about her family. She loved her children Joey and Tammy and grandchildren so much! She looked up to and loved her big brother Jack and loved Mary Ann more like a sister than a sister-in-law! Alice touched many peoples lives and she loved her police officers. She told me once that they were like her family. Even though I didn't know Alice very well I knew all of this because of her how she felt about her family. I am so sorry for your loss and pray that the memories of Alice will bring warmth to your heart and help fill her void. God took Alice home before she had to suffer more and now she is in a better place. Love to you all!

“ To the family of Ms. Alice, Just wanted to let ya'll know that I am so sorry about the loss of Ms. Alice. I worked with her for a couple of years at Newnan Utilities and she was a great woman. She kept us laughing every day. Please know she loved her children and grandchildren very much. We often had conversations about ya'll. I was so shocked to hear this news of her. We will be praying for the family during this time. If there is anything we can do, please let us know. Psalm 46:1
