“ I met Alice in 2007 when I moved to Lora's Place from San Diego. I would see her on her walk in the neighborhood. We would have our little chit-chats. We had something in common. I was also born in Canada, Edmonton....a big family (my mother came from a family of 15 children).. How I ended up in Newnan, etc. . She was so sweet, caring & inspirational. Always asked how I was doing after moving here from Calif. My condolences & prays to the family.

“ Alice was one of the most delightful people I've ever met. She was up-beat, had a great sense of humor and related many stories of her husband, children and career as a care giver. When I first visited her she brought out the cookie jar and we had a wonderful visit. I was privileged to hear some of her life stories and meet some of her children. We had a lot of laughs and I came away with the thought that I had met a remarkable woman. - I was Blessed. Marge
