“ Lisa you were a bit older then me but I still remember the weekends I would come and stay all weekend with your family as a kid. We always had a lot of fun. We watched each other's back. You were one of my favorite cousin. You will be missed greatly. You were a daddy's girl and know you will be with him. Love you Karen Harmon Key

“ Alisa My Beautiful Cousin was such a Joy to be around and always found a way to make everyone laugh! She was a few years older than me so she used to baby sit myself and my younger Brother Danny! We had so many good times, especially the time she took us for a ride in her car that she called "Barretta" which was after a tv show at the time! She would put one of our Ski Caps over her head and pretend to be "Ultraman" which was a children's tv show about a fictional robot in Japan! She would make us laugh for hours! She was also a very gentle and caring person who cared about others. Alisa You will be missed! See You one Day! Love, Barry Dutton
