“ *Randy and I have known Alton all of our lives and have always had respect and love for him and his family. His mama and daddy were salt of the earth good people, Jerry and Alton were raised to be gentlemen and didn't forget their raising. Missy is a precious lady whom I've always loved, too.*

Alton was a good friend to all who knew him; he will be missed, without a doubt, by the old town Moreland families. Rest in peace, Alton. Take heart in the good memories that you have of your daddy, Missy. I love you.

“ *So sorry for your loss! Alton and I have been forever friends since we first met at Moreland School, and there has never been a day that he has not hugged me, took time to talk to me, made me laugh and tell me he still loved me, when he seen me no matter who we were with or where he seen me. He has always been a sweet, caring, respectable man who loved everybody. He loved you all dearly. After his grandkids got old enough to play ball, the ballgames and J racing was his life. He was a proud daddy, proud pawpaw, and the best friend anybody could ask for! He will definitely be missed! 💕🙏*

“ Me and my brothers grew up in Moreland with Alton and his brothers. All the guys around his age enjoyed the good times and the bad. Everybody loved and respected one another. I never heard an unkind word about Alton. He had called me a few weeks back, we talked and reminisced for a while. I know he will truly be missed by all that knew him. My love sympathy and prayers to his precious family that he loved so much. Betty Jo Bowden

“ When Wayne Moore called me and informed me of Alton's passing, I just couldn't believe it. I remember when the Conner's lives next door to us down behind the Moreland School back in the mid to late 50's. We played together as kids. Late on we played all kinds of sports together. We went hunting together with Mr. James Yarbrough. I remember when he joined the U. S. Marine Corps. He followed his father's footsteps by joining the military. Prior to me joining the Air Force, we once again played softball together. Throughout the years we kept in touch with each other. Since we last talked in Jan, I decided to call him yesterday. However, he didn't answer. Alton was a fine individual who everyone thought the world of. Since I never had a brother, he was like one to me. The folks who knew him was better off for knowing him. He will be missed by all who knew him. I know I will miss him. May he rest in peace. May God comfort his family and friends during this time of sorrow. I love you my brother. Semper fi!
