“ I'm so sorry to hear about Al and my deepest sympathy to his family and many friends. Al was a good man who put others first. No matter what kind of day I was having I could see Al's name show up on my cell phone and my day would instantly turn into a good one. I'm going to miss answering my phone and hearing him say Jesco, whats up? I'm sure there will be many situations, sights, and sounds in the future that will trigger a memory of Al for me. May God bless you and your family in this difficult time.

“ Robyn, I am so sorry for your loss. I will definitely miss Al straighting me out. I will miss our "arguments" that I always enjoyed having with him. Not sure what I am going to do now that he is not looking for me a "Good Ol Boy" to marry. Now that he has connections he can work that out for me. A great person to have on your side. A true friend.

“ Mrs. Faulkner I am so sorry to hear about you, the family and community's loss of Al. you don't know me but I worked with Al at the SFC plant in Hogansville, Ga. He was a great loss to us. He was so helpful and really concerned anout his customers. We were discussing how he will be missed here, and know it carriers over to the family, friends and community. I loved talking with Al, he was a good story teller and was always in a good mood. may God bless you and the family and give you the strength you need at this time, sure Al would want it this way. Respectfully yours Jim Shouse

“ We are wondering if people fully realize the impact of Al. Over the past few months and days we have spoken to many people he has known for years. And they all say the same thing, he is a great man. He impacted the lives of so many. We all will miss him deeply. The raspy voice he had gotten to the little smile he had when you could see those mischievous wheels turning. Our deepest sorrow to the family.

“ To a man that was a mentor, a story teller, a smile, a shoulder, a great listener, a true friend, and a wonderful person all around. Your "Hello Doll" will forever be remembered. I'll always think of you and Owen when I eat grapes with my kids. When I smell the fresh scent of chopped wood, I'll think of you. I'll smile anytime I see a man in a hat reading the newspaper and anytime I exit a restaurant and pick up a toothpick, you'll cross my mind. Mrs Robyn, my thoughts and prayers are with you and your family forever. All my love to the Faulkner Family. Season

“ I am very sorry to hear about Al. He and I go back about 12 or so years. I could always call on Al to help me solve any bearing or conveyor problem. He was always smiling. I never heard him say a bad word about anyone. The last memory I have of him was when he and I went out to eat at a local chicken wing restaurant in Auburn, Alabama. This was back around 2005. I have moved a few times since then, but from time to time I would give him a "holler". Al will be missed by many. May God bless you and your family with comfort and peace in this difficult time. Your friend in Washington, New Jersey.... Arnold
