“ I am so sad about beautiful Amanda’s passing. I loved her quick wit and beautiful smile. She could always make me laugh so hard. It was my privilege to attend high school with her and remain a lifetime friend. She loved her husband and family dearly. She was an incredible cook, person, Mother, Wife, Grandmother and dear friend. Her last message to me was just a couple of days before her passing and she was thinking more about me than herself. I will treasure her last words to me forever. I only wish, like I am sure everyone else, to have one last conversation with her, one last laugh. Blessings, Peace and Love to everyone in her family. I know losing Amanda will make the world less bright. All my thoughts, love and prayers are with you.

“ Oh, my breath was taken away when I saw this announcement. Debbie and Mike, please know I am thinking of you and the whole family who loved her. As you know when you came to our house when Jon died, friends mean so much. I wish I could be there to hug you; however, I am in Atlanta with Andrew right now. Know that our thoughts are with you.

“ I was just sitting here remembering a time when I was young and going through a rough time with my mother again. Amanda spoke to me in her comforting and consoling way. She made me feel understood and supported, something I saw her do so often with others, and I never forgot it.

Amanda always had a kind word and never was anyone a stranger in her presence. The world is a bit lonelier now that she no longer walks among us, but we are all much better for having known her.

“ Mrs. Amanda was always so kind to me. The first time I met her was at the Moreland Mill 4th of July BBQ, and Puckett Station Arts and Crafts show. I had to wear a Care Bear Costume and help make the kids laugh, she made sure I had water and was as Genuine of a person as I have ever met. Our families go way back, now my grandkids are in school with Brad's kids, the circle never breaks with Morelanders. When my Daddy got really sick Mrs. Amanda reached out to me to talk. I loved that phone call. I loved this kind lady. All of you are being held close in my heart.

“ I actually just saw this and I don't even know what to say. I am heartbroken to even write this. First off my heart goes out to the entire McBrier Family. I grew up with Brad and we both went to school in Atlanta together, I spent a lot of time with them growing up and Mrs. Amanda was the most kind to me and always treated me as family.

I want you all to know how much my heart is hurting right now with all of you. Brad you know i'm here if you all need anything please do not hesitate to call me.

Please know that all of the Stuckey's are thinking about you all right now and may God lift you all up with strength and love at this time to honor your wonderful and incredible Mother.

Mrs. Amanda you will be missed deeply and never forgotten.....

With Love, The Stuckey's
