“ *Dear Matt and family: I am so very sorry to hear of the passing of your dear Grandma. I used to like to go in her shop since I have been a doll collector for many many years. She was always so nice to me just like your whole family is. I know that she will be your guardian Angel now watching out for you from above. Take care and I am praying for you and your entire family. (I was a good buddy of your dad's and customer, too). I also used to have you in class when I sub taught).*
