“ Such a sad time for all of us. Amy is my Godchild. She will be greatly missed in this world but I trust she is now in the arms of her parents in a much better place. Her suffering has ended. We will always remember her for her beautiful smile. Rest in peace sweet Amy. All my Love to Mallory and Avery and all the McMahons!

“ Rest in peace Amy. Although we didn't see each other often, even though we are cousins, your wonderful outgoing personality made those visits memorable. Our thoughts and prayers are with you and your family.

“ Too my childhood friend who grew up across the street from. I will always remember laughing and playing. Running from house to house. Dancing and listening to music even playing on the side yard basketball court. Lol. The times we stayed at your nanna's on the lake. You now can rest and be strong. You and nanna mom and dad can watch over your family wherever they are. ❤️

“ Amy was a bright light. Her genuine smile and beautiful countenance lit up a room when she entered. I did not know her well, but I remember that she consistently exuded kindness, and the contact I had with her was always pleasant. My thoughts and prayers are with Amy's family and friends during this grievous loss.

“ The loss of Amy will affect many. Her positive attitude, her sense of humor and love will be missed by all. I had the privilege to be the first person in Florida, when she started high school, to say, "Sit next to me.". Even then, I knew she was a cool chick! Fast forward to many life events together. The McMahon's have always treated me like family. The world lost a little sunshine.
