

Andrew Edward Valdez

April 8, 1987 - January 30, 2023

Andrew Edward Valdez, age 35, of Jeffersonville, Indiana passed away on January 30, 2023. He was born on April 8, 1987, to Raul Valdez and the late Laura S. Valdez.

He loved his family and will be missed by all who knew him. He was the life of the party and brought the fun everywhere he went. He loved chasing live music, writing poetry, and longboarding.

Andrew was a unique light that was extremely refreshing in a world where everyone seems to be competing to be the best version of the same thing. Andrew was genuinely different, and he encouraged others to be the most extreme version of themselves.

“ *Andrew was a former coworker of mine but not only that, he became one of my closest friends. We bonded over struggles we have been through and were there for each other in ways that cannot almost be replaced. I will always remember his goofy laugh, his contagious smile, his positivity towards life no matter what was going wrong in the world and his attitude towards hard work and being kind. He was a light to so many people, including customers he barely knew at his job. He was truly one of a kind and will be very missed. Andrew, thank you for always being there for me when I couldn't be there for myself and for believing in me when I couldn't. You made me feel like the version of myself that I have lost for so long. I will forever love and miss you my brother.*
