“ *Uncle Scott I'm still trying my best to process this. There is not a memory in my childhood that doesn't have you in it. I'm so happy you came to the house the other weekend and gave me that hugg you always gave me squeezing me so tight. Like I told you in the hospital holding your hand before we all has to go that morning "I'm not going to say goodbye uncle Scott. I'll see you later." I know you never liked me to cry I'm trying hard not to because I know I have one heck of an Angel looking down on me and your at peace and in no pain and when the time comes I'll see you again. You are one heck of an Uncle and I'm proud I have the privilege to be Your Niece. I love you always & forever. 💖 Tabitha*
