

Anita Eulalia Headstream

April 9, 1954 - June 19, 2025

It is with great sadness that we announce that Anita E. Headstream, age 71, passed away on Thursday, June 19, 2025, at The Claiborne in Newnan, Georgia. Anita was born on April 9, 1954, in Griffin, Georgia. She was the daughter of the late Carey Londell Brumlow and the late Rosa Gunter Brumlow.

Anita was the beloved wife of Robert Dan Headstream Sr., and she had two stepsons from this union, Robert Headstream Jr. and William Headstream. Anita was the sister of Edward Brumlow and John Brumlow. Anita professed her life to Jesus Christ at a young age and met her husband at Conyers Church of God. She loved to read her Bible and spend time with her family. She made many friends throughout her lifetime. Anita greatly cherished her nieces and nephews, taking great pride in all their accomplishments.

Anita was a hardworking schoolteacher who taught for almost 40 years, instructing students from kindergarten to 4th grade. She loved being in the classroom and was passionate about her students, and encouraged them to strive for higher goals in life. Anita did NOT want to sit behind an administrative desk and be quiet. She was known to always put others first. She will be dearly missed by all who had the privilege of knowing and loving her. A memorial service celebrating Anita's life will be held on Wednesday, July 2, 2025, at 2:00 p.m. at The Claiborne at Newnan Lakes, 461 Newnan Lakes Blvd., Newnan, GA 30263.

“ I was a paraprofessional at Honey Creek Elementary in Conyers when Anita was a teacher there. She was a lovely lady and was so caring of her students. She touched a lot of lives and will be missed.

“ Anita and I served students and their families at Honey Creek Elementary School in Conyers for several years. Her genuine love and support for each child in her kindergarten class was obvious to the child, parents and fellow staff members. Her bubbly, giving personality was contagious for everyone. She was a pleasure to know and an outstanding team member. She held high academic and social expectations for her students, which I am sure continue to be of benefit to them now.

Dan and family, I offer my condolences on your loss of precious Anita.
