“ My heart is so heavy right now, but I take comfort in knowing Nita is with Bob, Charley, and Tommy and most importantly, our Lord and Savior Jesus Christ. It also makes me feel better knowing there is another special angel watching over us. I love ya'll and am praying for your comfort in the days ahead. Maxine ♡

I worked with Anita for several years as a paraprofessional at Newnan High School. I used to go visit her in the attendance office throughout the day. We would share funny stories, or just a giggle about the day we had. She was such a sweet lady, and will be missed by so many indeed. I pray for the family at this time that they receive strength from God above as they all go through this difficult grieving process. Hugs sent to the family.
