“ *When our Robertson and Galbreath girls attended Moreland Elementary, it was almost a daily routine that Ms. Ann would be in her yard when we were on the way home from school. The girls and I would wave and she would wave back real big. She seemed to time it just right. I would take the girls to visit a few times after school. She was the sweetest soul and we will always have those special memories of her. Larry and I were so glad we were able to participate in a drive-through birthday for her during the beginning of Covid. God bless your family.

“ I only knew Miss Ann a few short years, meeting her for the first time at a doctors office in Newnan. We both joked about "these checkups" that kept coming more frequently. In the years since, she became a good friend whose company I truly enjoyed. In our random meetings there was always laughter. She will be missed by many.

“ I am so sad to hear the news of sweet Mrs. Ann. She was friends with my grandparents Jack and Midge Ray. I met her when I was a little girl at Mt. Gilead. She never missed a birthday and probably until I was 15 or 16 years old I would get a card in the mail from her with a \$5 dollar bill. I will always remember that and her beautiful handwriting. Anytime I would see her in town once I was older and grown she always remembered me and would give me the best hug. She was the cutest lady and I still remember her driving that black truck. At Christmas time we would always take her a fruit basket. I'm so glad to have known such a gem of a person. You will be missed Mrs. Ann!

“ *MS Ann was a very special and graceful lady and friend to our family. She was so good to me when my Daddy and then my mother passed away. She always greeted me when we saw each other with “Hey there Roycie’ Royce”. I will always remember seeing her car parked in the parking lot as far away as possible from the entrance to any store she shopped. Love you MS Ann please give mom ma and daddy a hug for me . Prayers lifted for comfort and strength for her family 🙏🙏*
