“ *My wonderful Aunt Ann will always live in my memory. She was the sweet aunt..the beautiful aunt...the cheerful aunt. Aunt Ann was always so kind to me. She had a certain energy that made you feel so very special and loved when she was with you. She never seemed judgmental and I always wanted to emulate her. When I grew up and had nieces and nephews and then great nieces of my own I would often reflect back on how I saw her and felt about her... and would hope that my nieces and nephews and great nieces and great nephews would remember me as fondly as I will always remember her. Love Always, Donna*
