“*Mrs. Parrott was always such a wonderful person (as long as you behaved- no foolin'!) With a smile and a wonderful laugh, she made NHS a bit less scary. Thank you for your years of patience and service. You made the world a better place and with your gardening- more beautiful, also. Rest In Peace!*

“*Becky and family, My thoughts and prayers are with you. I loved your Mom. She taught me to swim, and you and I ended up going to Red Cross School and teaching swimming at the Y Summer Camp. She also taught me typing which is so useful today! You will carry her good memories with you in your heart and thoughts. Love Kay*

“ Ms. Ann was my next door neighbor for my whole childhood. I have wonderful memories of her teaching me how to plant and pick daffodiles. Also, how to get a yellow nose. We played with her dog, Fritz, for hours on end. She also told wonderful stories of her global adventures including riding on camels. Recently, my family and I were in Africa and got the same opportunity and I related these stories that she told us to my own son. She helped me to realize that travelling was a wonderful opportunity. Much love to her family during this time.

“ I'm very sorry to learn about Mrs. Ann's passing. During my years at Newnan High (65-69), she taught me World History and Bookkeeping. Because of her ability to teach bookkeeping and for my love of it, later on I continued my education in the field of Accounting. As a teacher, she was second to none. A very sweet and kind lady who left an impression on me that has been with me all these years. May she rest in peace. May God be with the family during this time of sorrow. However, may everyone reflect on her life and the goodness of this human being.
