

Anna Lee Terry

December 6, 1932 - October 23, 2024

Anna Terry, age 91, passed away peacefully at her home in Monticello, GA on October 23, 2024. She was born in Vinita, OK on December 6, 1932, the daughter of Lillie and Clyde Stevens. She was preceded in death in 2012 by her loving husband of 61 years, Gene R. Terry, and in 2023 by her eldest son, K. R. Terry. Anne leaves behind two children, Kyle (Linda) Terry of Conyers, GA, and Candy Grant of Ashburn, VA, and a brother, Louie (Linda) Stevens of Bernice, OK, along with six grandchildren, Dene' (Jay) Collins, Shaun (Sabrina) Terry, Doug Terry, Emily (Ben) Wetzel, Zach Grant and Adam Grant, as well as six great grandchildren.

Anne grew up on a farm in northeastern Oklahoma where she worked alongside her dad and brothers milking cows and baling hay, as well as learning how to feed a "threshing crew" and preserve crops from her mom. At the age of 91, she was still living independently, growing a garden and making jams, canning vegetables and freezing fruit to make pies.

Anne was an avid sports fan. When raising her children, she was always at a field cheering them on - baseball, softball, basketball, soccer and of course football. She was also a lifelong avid Oklahoma Sooners fan, rarely missing a televised game of any sport when OU was playing. But she didn't limit her love of sport to just watching, she also loved hunting and fishing. She and Gene traveled to Alaska to fish on several occasions, where she spent a day fishing

with a broken wrist because she didn't want to give up the opportunity to fish because of a "silly" injury. She continued deer hunting with her son and grandsons until just last year, taking her last doe when she was in her late eighties.

When her children were young, Anne had an in-home beauty shop to help support the family, while being available to raise the kids when they got home from school. After the children were grown, she worked at Murphy Manufacturing in Tulsa, OK as their logistics manager and later opened a travel agency (Terry's Travel) in San Antonio, TX with her husband after he retired from an airline career.

A private family service will be held graveside at Forest Lawn Cemetery in Newnan, GA, where she will be laid to rest beside her husband. In lieu of flowers, the family requests donations be made in her honor to the American Cancer Society or the American Diabetes Association.

“ Ann is a wonderful soul who has moved on...I will miss seeing Ann arrive at the hunting camp,it was tradition! Traditions with your family during holidays or special occasion are very important, but I believe traditions with families & friends are ever bit as important! I think Gene & Ann both new this and anyone who has spent time with them knows this. Traditions run deep in the Terry family . It has been a honor to have known them both . Ann was a true sportswomen in every sense of the word. My favorite funny storie of Ann is after the days hunt ,we were all sitting around the campfire telling yarns . That was the year we had all switched from handheld flashlights to wearing headlamps . We were all listening to Kyle tease his father about shooting a hole in the wall of one of the ground blinds and Ann says " Ya know , if a bunch of Aliens where in a flying saucer above this campfire...they would look down at you all and think this planet was full of Cyclops!" The AOH hunt camp will miss you ...I will miss you..J.A.
