“ I am the daughter of the son Annette gave up for adoption in 1957. We found this through ancestry. I have made contact with Elizabeth King (Tammy's daughter) but have been ignored. We found each other when our DNA was matched and she is my 2nd cousin. We don't want to destroy a family, we want to be a part of the family. My dad has grown up feeling unwanted. I don't know her reasons and we may never, but my dad deserves acknowledgement. His name is Michael Kelley and he is Jacksonville, FL. Please don't shut us out.
My name is Rebekah
