“ Jack I am so very sorry to hear of the passing of your Mother! When both of your parents are gone it makes you feel so very lost in this old world! I use to eat breakfast with your dad and Sterling several times a week down at the Huddle House! I do miss Binion Tire not being around anymore! Your Dad told me back in 1962 "Boy I am going to have to stop selling you any of my recaps! You come in about every two weeks with one the cap has ran off of". He said I have never had that many come backs by any one person! They were good recaps but some of them just would not hold up at speeds of 130 to 140 MPH!

“ Jack, We were so sorry to here of your Momma's death. It is rough when you loose your Momma or Daddy. You feel just like a big part of you is gone. We didn't know her but knew your Daddy, he was a super nice person. May the Good Lord give you peace, love and understanding during this difficult time. God loves you and we do too, Don and Mildred

“ Dear Jack, Jackie, Sandra and the entire Binion family, I am so sorry to hear about the passing of Miss Irene. I grew up across the street from her and Mr. Jack and have many fond memories of both of them. Our neighborhood growing up was a special place and the two of them were a big reason for that. And it was always a nice surprise when I would visit my parents the past few years and happen to catch Miss Irene on one of her frequent walks. She always stopped to say hello and ask how my family and I were doing. I will miss that. Please accept my condolences and know the Binion family is in my thoughts and prayer during this sad time. “ I owe Gene Cravens a thank you for informing me of the death of your mother, and Jackie's mother-in-law. May I, and my wife, Betty, offer our most sincere condolence in this loss. Contrary to some, Mom to Son and Son to Mom, is as strong a relationship as exists. So considerable time will be needed to overcome, if ever. Please accept our wish in what we already know. We call upon our Savior, Jesus Christ, to send His healing graces to soothe your pain of loss. May He hold forth His hand to all of you in these moments of extreme sorrow.

“ Ms. Irene has been part of my life ever since my family moved to close to the Binions on Smokey Road when I was 5 years old. She has been like my second mama for almost 65 years. Ms. Irene was probably the sweetest person I have ever known. She was always in her pew at First Baptist Church of Newnan and could be seen taking her daily walks from her home near the High School through downtown Newnan. She was loyal to family and friends and her door was always open and she was ready to lend an ear to a troubled teenager. Many times after a ballgame or band practice she would take me or my sisters in, feed us a snack, and give us a safe place to stay until our parents could pick us up. She leaves a big hole in my heart and in her church and her community. Nick Rickenbaker
