“ *Our family has known yours for such a short time and what an impact you all have made in our lives. Our wish is that we could have had more time to get to know Tony. We were all blessed by Tony's inner light and his smile. He is now surrounded by angels smiling down on us all. May you and your family be surrounded in the peace and love that Tony has left behind. I pray that the holy spirit and your guardian angels will comfort you and your family. Much love Angie and Shane and the boys*

“ *Oh my goodness Gayle & Mikey. What a WONDERFUL picture to choose of him. That is exactly how I remember him and WANT to remember him. That smile is SO contagious. He touched my heart with his humor & compassion. I'm so sorry he is gone, but happy to know that he is in a much better place and without pain. On behalf of my family as well as your "other" family -- The Dusting Angels, we will continue to pray for you & everyone related, that the memories keep you going and the prayers keep you strong. We love you.*
